

## TIMBA™ BLOCKS

### THE SUPERIOR ALTERNATIVE.

Timba™ Blocks are a reusable, durable and superior alternative support block that can be used in all working conditions.

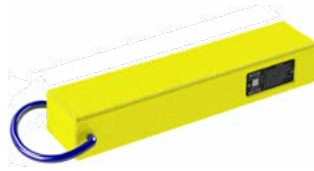

- » **RESISTANT TO FUEL, OIL AND CHEMICALS**
- » **IMPERVIOUS TO FUNGUS, SALTS, ROT AND TERMITES**
- » **MADE FROM DURABLE POLYURETHANE**
- » **LIGHTWEIGHT DESIGN**
- » **LOAD RATED**
- » **DOES NOT SPLINTER OR WARP LIKE WOOD**

Request our Timba Brochure for load rating calculators or visit [www.timbablocks.com](http://www.timbablocks.com)
